Dear Mr. Murphy:

**INFORMATION REQUESTED CONCERNING NATIONAL EMISSIONS  
STANDARDS FOR HAZARDOUS AIR POLLUTANTS (NESHAP) PROGRAM**

In accordance with your request, the following information regarding the NESHAP Program at the Portsmouth Gaseous Diffusion Plant (PORTS) is being forwarded.

The PORTS facility is a government facility administered by the Department of Energy (DOE). The United States Enrichment Corporation, Inc., (USEC) leases facilities from the DOE and is responsible for production processes. Martin Marietta Utility Systems, Inc., (MMUS) operates the production process for USEC. DOE has direct responsibility for environmental restoration activities as well as PORTS facility oversight. Martin Marietta Energy Systems, Inc., (MMES) is the primary contractor for DOE for environmental restoration.

Enclosed are updated organizational charts for MMUS and MMES. The principle contact personnel are as follows:

**MMES**

Dean Roberts  
Tim Olin

**MMUS**

Doug Scott  
Robert Blythe  
Jason Patrick

**DOE**
